Dear Valued Customer:

Due to a discontinuation of multiple raw materials used in the production of EPIBOND® 1559-1 A/B US (SKUs listed below), Epibond® 1559-1 A/B will no longer be available for purchase.

However, Huntsman Advanced Materials is working diligently to reformulate this product to be EPIBOND® 1559-2. Another notification letter will be sent out when the data of the new version is ready, and the SKUs are available for sampling and purchase. As always, it is up to the customer to make the final determination as to whether a product is suitable for application or use.
