Dear Graco Supply,

Huntsman Advanced Materials has identified an additional manufacturing partner to manufacture ARALDITE® CY 179-1. This additional source is required to maintain a reliable security of supply due to recent increase in demand for the ARALDITE® CY 179-1 material.

The following is the material impacted:

| Huntsman material description    | Huntsman material SKU |
|----------------------------------|-----------------------|
| ARALDITE® CY 179-1 US D 200KG U1 | 1696108               |

Huntsman Advanced Materials has conducted evaluation of the additional supplier to ensure the material made by the current and additional supplier is equivalent. Going forward orders for the ARALDITE® CY 179-1 material will be filled from either manufacturing partner.

We appreciate your business and loyalty to Huntsman and ask that you please contact your local Huntsman sales associate with any questions.

Sincerely,

A handwritten signature in blue ink that reads "Robert Doggett".
