Subject: Supply Disruption Impacting LOCTITE® AERO Products

Dear Valued Customer:

The ability of Henkel Corporation (“Henkel”) to procure a packaging material used in the production of LOCTITE® AERO products has been limited due to varying availability of packaging materials.

Henkel is in the process of reviewing its ability to fill existing orders for the products listed in Attachment A and will need additional time to confirm orders. As a result, you may experience a delay in your deliveries. Please consult with your technical service key contact for other configurations available.

Henkel is in close contact with its supplier and using all commercially reasonable means to leverage its global supply chain to address this situation and support its customers. Your account manager will contact you to discuss the status of current and future orders.

Henkel appreciates your patience and understanding during this challenging period.

Sincerely,

A handwritten signature in black ink that reads "George Thomas". The signature is written in a cursive style with a horizontal line underneath the name.

George Thomas
VP Regional SBU Head of Industrials Americas
Henkel Corporation
