Subject: North America 2024 Product Rationalization

Dear Valued Customer,

Henkel is committed to offering our customers a broad selection of product solutions to support your needs. We strive to improve the efficiency of our portfolio, resulting in the discontinuation of some products. This letter is to inform you that the articles listed in Appendix A will be phased out and will no longer be available in 2025. Where stock is available, please place last-time-buys by November 1st as we plan to cease manufacturing by the end of the year.

Please be advised that the recommended alternative is a suggestion only and it may be best to reach out to your sales representative or the Technical Customer Service (TCS) department. With all changes of this nature, you should test and validate to confirm the recommended alternative is appropriate for your needs.

We value your continued business with Henkel and are here to address any concerns or questions you may have regarding this change. Henkel takes pride in providing best in class products, and we look forward to continuing to support your application needs.

Please do not hesitate to contact us through our website www.henkel-northamerica.com, your sales representative, Technical Service at 800-562-8483 (in the US) or 800-263-5043 (in Canada).

Sincerely,

Giovana Kishi
NA ACM Market & Application Manager
Henkel North America

Appendix A: Discontinued Articles and Recommended Replacements
