

IN-STOCK AND ON TIME, EVERY TIME.

The MRO sector of aerospace is a highly technology-driven and time-dependent market, with both in-house and increasingly outsourced service delivery. We understand that stock and efficiency are the keys to your maintenance, repair, and overhaul operations. Together with our new parent company, GracoRoberts, we now offer customers six global fulfillment centers, a larger portfolio of products, more value-added services and a full-service ecommerce website to provide the aerospace MRO industry quicker access to in-stock product.

As an Aerospace distributor, we understand the requirements for timely service and support for AOG emergencies. Our website offers fast and easy ordering for over 10K products with 24/7 access, compliance, and real time stock availability and can provide same day dispatch for UK deliveries for orders placed before 5pm on weekdays.

Our application technologies include:

- » Liquid and Paste Adhesives
- » RTV Silicones
- » Greases, Oils and Hydraulic Fluids
- » Fuel Tank and Airframe Sealants
- » Engine Component Cleaners
- » Critical Cleaning Wipes
- » General Solvents and Degreasers
- » Masking Tapes and Papers
- » Paint Strippers
- » Polyurethane, Acrylic and Epoxy Paint Systems
- » Sealant Removal Products
- » Corrosion and Erosion Protection
- » Non Destructive Testing (NDT) Chemicals

Aerospace Coatings for MRO Repainting

GracoRoberts is proud to be the only distributor of AkzoNobel aerospace coatings with a color lab and exclusive authorization to color blend and repackage for customers in the United States. As a combined entity, US-based Silmid customers now enjoy GracoRoberts' Intermix Color Lab which is renowned for its quality systems, color matching, and color tinting for the aerospace industry. The aerospace coating solutions we offer are developed to speed up the application process, reduce steps, improve paint appearance, and keep aircraft flight-ready.

For more information on how we can serve your aerospace MRO needs, please contact your Technical Account Manager, visit our website, or call us directly.

COMMITMENT TO QUALITY AND SERVICE

Through GracoRoberts, Silmid & Resin Formulators are fully qualified to design, manufacture, and distribute products to a variety of industries. We are independently certified to three rigorous international quality standards: ISO 9001:2015, AS9100 (Rev. D) and AS9120 (Rev. B). To verify compliance with the requirements of these certifications, we engage in routine on-site examinations, self-reviews, and audits of our processes.
