

EXPERTS IN SOLVING MISSION-CRITICAL CHALLENGES.

Headquartered in Coleshill near Birmingham, UK, Silmid is a pioneer and leader in specialty chemical eCommerce distribution for the aerospace industry and has served a global customer base for over 40 years.

We serve the global aerospace OEM segment by offering a comprehensive range of specialty chemicals, consumables, and technical support services tailored to meet the specific needs of major manufacturers like Airbus, Boeing, BAE Systems and more. We ensure quality and accuracy by adhering to strict safety and regulatory standards, along with consistent on-time deliveries.

COMMITMENT TO QUALITY AND SERVICE

Silmid is dedicated to providing quality products and associated services to satisfy the needs of our customers. We are ISO 9001:2015 / AS9120 certified and dedicated to meeting these international quality standards, along with all relevant legal and third-party requirements. To verify compliance with the requirements of these certifications and drive continuous improvement, we engage in routine management reviews, performance analysis, customer satisfaction, and internal audits of our processes.
