

TOOLS TO MAKE YOUR INVENTORY MANAGEMENT HASSLE-FREE

Silmid offers multiple stock management solutions that can be tailored for customers of any size. Working together, we can design and implement innovative solutions for stock management, inventory control, sourcing and supply management as well as logistics, custom labeling, kitting and enablement style contracts.

Our stock management solutions enable customers to save time, reduce costs, eliminate waste and enjoy productivity gains.

COMMITMENT TO QUALITY AND SERVICE

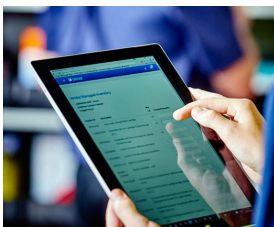

Through GracoRoberts, Silmid & Resin Formulators are fully qualified to design, manufacture, and distribute products to a variety of industries. We are independently certified to three rigorous international quality standards: ISO 9001:2015, AS9100 (Rev. D) and AS9120 (Rev. B). To verify compliance with the requirements of these certifications, we engage in routine on-site examinations, self-reviews, and audits of our processes.
