

LINE CARD

In March 2021, GracoRoberts acquired Silmid to forge the largest, fastest, and most technical aerospace chemical distribution company in the world. We have a combined 200 years of domestic and international aerospace expertise and offer the global aerospace community a larger portfolio of products and operational efficiencies in more warehouse locations, a streamlined customer experience through a world-class ecommerce platform, and value-added services.

As a premier full-service provider of engineered materials, we specialize in the distribution, formulation, and packaging of adhesives, sealants, surface treatments, paints, coatings, composite materials, shop consumables, and more. Our team of experts, including an on-staff Chemist, utilize this expertise to fulfill the needs of thousands of customers across aerospace and other advanced manufacturing markets across the globe.

COMMITMENT TO QUALITY AND SERVICE

Through GracoRoberts, Silmid & Resin Formulators are fully qualified to design, manufacture, and distribute products to a variety of industries. We are independently certified to three rigorous international quality standards: ISO 9001:2015, AS9100 (Rev. D) and AS9120 (Rev. B). To verify compliance with the requirements of these certifications, we engage in routine on-site examinations, self-reviews, and audits of our processes.
